IV. Skokie Valley Trail- Lake-Cook Road Bridge

Mr. Christensen discussed the existing Skokie Valley Trail in Lake County and plans being developed by Lake and Cook counties to build a bicycle and pedestrian bridge over Lake-Cook Road. He noted that Lake County would lead Phase I Engineering with Cook County taking the lead on Phase II Engineering and Construction. He discussed a recent federal coordination meeting and that Northbrook will be doing Phase I engineering for their portion of the trail, which will be packaged together with the bridge in a federal grant application. He noted that construction would begin in 2018 regardless of whether CMAQ funds were acquired.
