NWMC Multimodal Plan: Pop-Up Workshops & Interactive Bike Map

The Northwest Municipal Conference (NWMC) is working with member communities, stakeholders, and residents across the region to create its first Multimodal Transportation Plan.

The planning team will be attending two Pop-Up Workshops to help spread the word about the project findings and to gather input on the priority bike corridors. The next workshop will be held at the Deerfield Winter Celebration at Village Hall on Friday, December 6 from 5:00 p.m. to 8:00 p.m. The final workshop will be held at the Morton Grove Indoor Farmer's Market at the Morton Grove Civic Center on Saturday December 7 from 8:00 a.m. to 1:00 p.m.

The NWMC Multimodal Plan will be available in January 2020, and the Existing Conditions Report is available to download on the [project website](#).

Eager to share your thoughts? Check out the [interactive map](#) to review priority corridors and add comments regarding your observed opportunities and challenges navigating these corridors.
